Celebrate Spring at our **Annual Plant and** Book Festival at our Library! March 23th and 24th

Spring is the season of renewal! If you are wondering where the FLOWERS "is," come to the Friends Annual Plant and Book Festival. Our winter was mild this year but our summer was SIZZLING and many landscape plants suffered. The Festival is the perfect place to renew your enthusiasm and your garden! Local nurseries, plant

stores and neighborly green thumb gardeners donate a variety of plants. Renew your garden from here!

Spring is the season of growth! You can grow your home library at the Festival too. From the books that

Spring is the season for discoveries! Check out more than library books when you come to the Festival. While you are there, check out the Coupon Board for gift certificates and coupons from local businesses! Come early for a great selection!

Spring is the season for eating outside! Sweet Tomatoes is coming back! They provide FREE coffee and FREE baked goods while you bargain hunt and visit with friends. Thank you, Sweet Tomatoes!

Spring is the season of love! Love the Library! Love the plants! Love the books! Love the coupons! Love the coffee and treats! Preschool Story Time! for three to six year olds is scheduled each Thursday at 11:00_{AM}. The story is followed by a craft project.

Keeping Up through Facebook!

It's all too common a problem! We see that something we want to attend is coming up, but life overtakes us and, before we know it, the event has come and gone. We missed it because we forgot to recheck our calendar or the website or we just plain forgot to write it down. The Library itself has many events that are too good to miss! The Kiosk in the Lobby is full of flyers about cultural events throughout Houston area. Tutors offer their services. If you only come to the Library every couple of weeks, you might not notice or you might miss an

interesting opportunity entirely. The Friends' Facebook page will update you of a special event at the Library a few days before the event so you won't miss out. **Friend us at Friends of Spring Branch Memorial Library** and you will see a reminder on *your* Facebook page. As for the other terrific events around the city or local services, well, you will just have to stop by the Library and check the Kiosk—and check out some books or CDs while you are there too! **You will be glad you did!**

Where Do Your Contributions Go?

Over the past 10 years, the Friends of the Library has made good use of your contributions. As you can see, we have given most of the funds collected to the Library to purchase needed new **books and CDs**. The Board of the Friends has made a commitment to providing significant funds to purchasing audio books and

ebooks for the past two years to help supply the growing demand for those kinds of media. Special projects have included supplementing our dedicated staff with contract labor library employees for periods of time and maintaining the gardens and plantings around the library. Library Programs include the summer programming for the children and contributions to the occasional snacks and craft supplies for Story Times. Through Equipment, Furniture, etc., we have provided shelving, lounge and workroom furnishings and benches both inside and outside the Library. Mailings include this

quarterly newsletter and the annual Buy-A-Book Campaign. The Friends Board works closely with the Library staff to respond to their needs and requests that the County budget cannot meet. Circulation goes up at our Library and the Friends fill an important role in maintaining our Library's excellence. If you are a Friend, thank you. If you are not yet a Friend, seriously consider joining us. YOUR SUPPORT BENEFITS THE ENTIRE COMMUNITY!
